VOLUME LXI. FIRST IN SERVICE TO READERS

ANTIOCH, ILLINOIS, THURSDAY, MAY 8, 1947

FIRST IN RESULTS TO ADVERTISERS

NUMBER 40

Rosenfeldt Named to Village Board at Tues. Meeting

Arthur Rosenfeldt was back in his seat at the village board of trustees meeting Tuesday evening through his appointment to fill the position vacated through a resignation.

In nominating Rosenfeldt, President George Bartlett said that since Rosenfeldt was fourth in standing at the recent election of trustees, he would be the logical person for the appointment. The vote of the board was unanimous.

President Bartlett's committee appointments were approved by the board as follows:

License and Licensing—Walter L. Scott, chairman; James Maplethorpe, and Winsor Dalgaard.

Street and lighting—Merrill Cunningham, chairman, Frank D. Powles and Arthur Rosenfeldt.

Sewer and water—Powles, chairman, Dalgaard and Scott.

Finance—Rosenfeldt, chairman, Maplethorpe, Cunningham.

Printing—Dalgard, chmn., Scott and Powles.

Public buildings—Maplethorpe, chairman, Dalgaard, and Cunningham.

Salaries—Scott, chairman, Rosenfeldt, Powles.

The entire board will sit as a committee in matters of the fire department and local improvements.

President Bartlett again took the job as health officer.

Appointees listed included Laurel Powles, deputy clerk; and George S. McGaughey, village attorney.

Arthur Rosenfeldt will serve as both plumbing and building commissioner and he will obtain the help of Charles Jorgensen.

Phone Strike Over; Antioch Operators May Report Today

The telephone strike which has paralyzed communications for the past month, seems to be settled today. Phone operators are back on the job in Libertyville and other nearby towns and it is thought that only the absence of a telegram from union headquarters has kept the local operators from getting on the job here.

John Littler, district manager for the Illinois Bell telephone company, said today that the company was "a little cautious in announcing the settlement of the strike, due to the false alarm which took place last week." He added that it seems assured that the strike will be completely over today and that normal service will be resumed tomorrow.

The settlement is about as was announced previously, with the workers getting an additional \$4 per week. Only picket lines of the General electric workers, who have not settled with the company can hinder the ending of the strike, now as members of the operators union have said that they will not cross picket lines of that union. There is no evidence of picketing here, however, and it is virtually assured that the service will be back to normal sometime today or Friday.

Monday to Be Antioch Spring Clean-up Day

Even though spring may seem a long way off, so far as the weather is concerned, Street Superintendent Wm. Thiemann is thinking in terms of spring and has set next Monday as the first day of the Annual "town housecleaning".

Thiemann states that all material placed on the curbing on Monday morning will be disposed of by the street department. He urges that all residents of the village collect all unwanted junk and place it on the curbing before Monday.

Tuberculosis Tests Are Scheduled for Schools

The first, sixth, and eighth grades of the Antioch grade school, and students of the Antioch Township High school will be given tuberculosis tests Tuesday, May 13, by the Lake County Tuberculosis society.

The results of the test will be made known two days later through written reports and in event of positive reactions suggestions will be made.

Sunday To Be Set Aside As Mother's Day Here by Green's Proclamation

While the proclamation of Governor Dwight Green will make Sunday legal as Mother's Day it will be the sons and daughters of Antioch mothers who will make it a reality. The proclamation received by President George Bartlett was hung in the village hall this week, but Antioch stores selling greeting cards and gifts have been aware of the approaching event for several days.

Gifts range from flowers and candy to wearing apparel and accessories. One custom is to wear a red blossom if the mother is living and a white one if she is deceased. Mother's Day ranks second with Christmas first as times of giving.

Because the day originated in a Methodist church at Grafton, West Virginia, it has been held since then on Sunday's and sermons usually are preached on the subject of "Mother."

American Legion Enters Softball Team in Lakes League of 8 Villages

Representatives of the athletic division of the Antioch American Legion attended a meeting of the Lake Region Baseball league at Round Lake last evening, arranging for the year's schedule.

Ed Frazier, Dale Rockow, and Bernie Snyder constituted the committee, representing the village among seven other villages in the lake region in forming the league. The number of teams may be increased to 10. They announced that all men interested in trying out for the squad meet for the first practice at the Antioch High school playing field on Monday evening. In event of rain the meeting will be at the Legion hall.

According to the schedule now set up the first game to be played here will be on June 5. Lester Nelson will act as manager for the team this season.

Large crowds attended the Antioch games during the latter part of last season and the Legion hopes to engender the same interest this year. Soft ball again will be played under lights.

Grass Lake School Bids Exceeded Bond Limit of District; All Rejected

Members of the Grass Lake school board opening bids for the proposed new school building Tuesday discovered that all estimates were in excess of not only the voted bond issue but the bonding power of the district.

Walter Forbrick, secretary of the board, said that the district had proposed spending \$70,000 but that the bids were greater than the \$125,000 that the district's bonded indebtedness is limited to.

All bids were held in abeyance, or temporarily rejected.

Because the school expects 100 pupils next year and cannot house them at the present site, the board is at a loss to know what to do. They will meet with County Superintendent W. C. Peely to come to some decision. It is possible that temporary quarters may be obtained for next year.

The board let the contract for the well on the new property to C. L. Wertz.

There were six bids on general construction, only one on heating and several on the electrical contract.

Austin T. Savage, Lifetime Resident of Lake County, Dies

Austin T. Savage, age 76, died at his farm home on Savage-Milner road, Wednesday, May 7, at 8 a. m., after several months' illness.

He was born Jan. 18, 1871, on the Savage farm east of Antioch and lived there all of his life. His life work was farming.

Survivors are his wife, Myrtle, one brother, Mortimer, and a half-sister, Mrs. Jeanette Wells, both of Antioch, and two grandsons, Albert Smith, a marine stationed at Port Quantico, and Milton Smith, a student at the University of Illinois.

The Savages celebrated their golden wedding anniversary Feb. 17, 1947.

Funeral services will be held Saturday, May 10, at 2 o'clock from the Strong funeral home with burial in Hickory Union cemetery.

Rescue Squad Elects Officers and Leaders at Its Annual Meeting

Committees Appointed And Approved in Meeting On Tuesday

George Bartlett, Jr., was elected president of the Antioch Rescue squad in a meeting attended by 12 members Monday evening. He succeeded Einar Petersen.

Other officers chosen for the one-year term are Walter I. Scott, treasurer; and William Banedi, secretary. Herman Holbek was chosen captain of the squad for a two-year term and other squad officers chosen for the same length of time are Walter I. Scott, first lieutenant; and Charles Larsen, second lieutenant.

This is the first time that the offices of captain and lieutenants have been chosen by election, the by-laws having recently been changed to call for the election of these officers rather than filling them by appointment.

The squad is preparing for the summer which usually is a busy time by scheduling two men for Sundays and holidays who will always be available.

Senior Class Play Now In Final Rehearsal for Presentation May 15-16

"We have a good play, well cast and with our best Senior students taking part, we should have an unusually good production," said Miss Jeanette Darrough, coach, in predicting the success of the Antioch Senior class play, "Ever Since Eve," which will be presented next Thursday and Friday nights, May 15 and 16.

With their lines already well learned, the 11 principal members of the cast are busy putting finishing touches to their acting.

The play is a comedy showing how women have dominated men since the beginning of history.

Music will be furnished by the string band of the Antioch Township High school. The play will be produced in the school auditorium by the following cast:

Mrs. Clover, the mother—Mary Jean Maplethorpe

Mrs. Clover, the father—Leonard Matsen

Johnny Clover, editor of newspaper—Ray Ohlgren

Spud Erwin, Johnny's pal—Kenney Heuer

Betsy Erwin, Spud's sister—Kathleen Gindrich

Susan Blake, co-editor—Eleanor Schaefer

Martha Willard, high school teacher—Jean Pagels

Henry Quinn, principal—Dan Jones

Preston Hughes, athlete—Jerry Pregenzer

Lucybelly, the southern gal—Barbara Horton

Cappy, police officer—Roger Marz

Football players—Walter Hills, Duane Weber, George Grunow, and James Fields.

There will be an advanced sale of tickets.

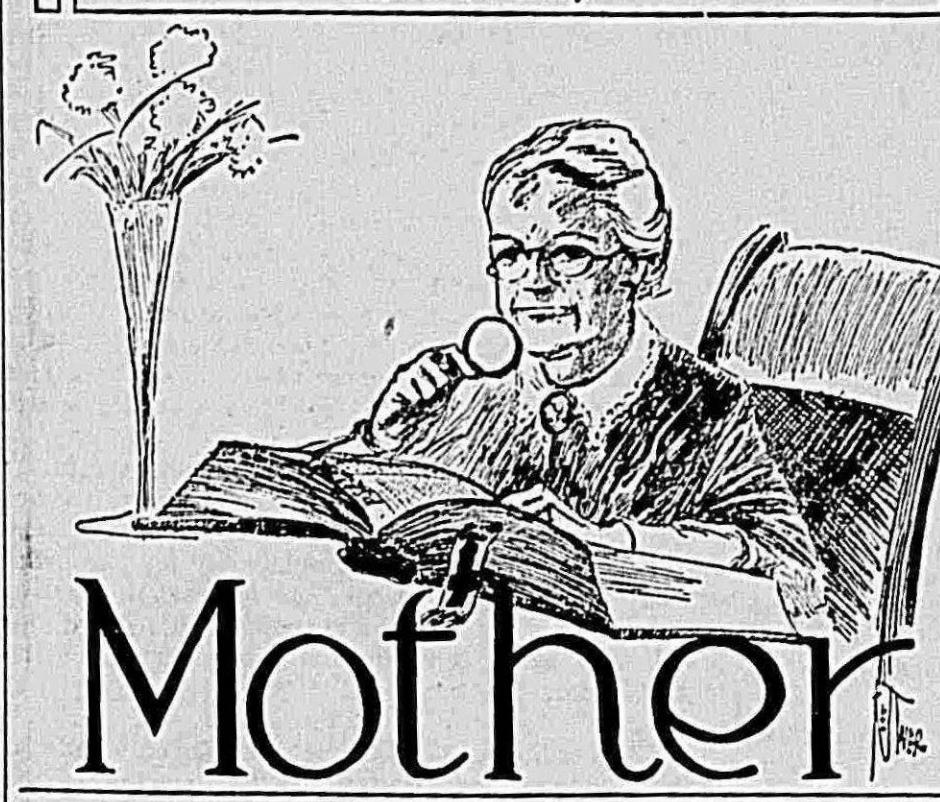

Announce Poppy Poster Winners

Winners in the annual Poppy Poster contest sponsored by the American Legion Auxiliary were announced today by Mrs. Eileen Lewin, chairman. Miss Elizabeth Webb, Mrs. Marion Rigby and Clarence Shultz acted as judges of the posters which were submitted by pupils of Antioch grade school, Grass Lake school, Cedar Lake school and Emmons school. The judging took place Monday evening at Antioch grade school and first prize of \$3.00 was won by a poster designed by Arthur Kreft of Grass Lake school in the first division. Second place was awarded to E. James Taylor III of Emmons, with honorable mention going to Rose Ann McGreat of Antioch.

In the class 2 division Nancy L. Pirson of Emmons took first honors and the \$3.00 prize, second prize of \$2.00 went to Ann McMillen of Antioch and honorable mention to Arlene Hansen, Cedar Lake school.

The posters will be displayed to advertise the annual sale of poppies May 24th.

Her Day

A. T. H. S. Musicians Take Part in Festival at Wauconda Monday

Permits for improvement of two Main street buildings were issued Tuesday evening by the village board.

Mrs. Fern Lux was granted a permit to convert the second story of the Antioch News building into two apartments.

The front apartment comprising a living room, bedroom and kitchen will be occupied by Mrs. Lux herself, and the rear room containing a Pullman kitchen, will be rented.

The cost is estimated at between \$5,000 and \$6,000 and will be completed by fall. The room was occupied by Eddie the tailor until Wednesday. He has stored his goods until he finds a place to locate.

Raymond Dvorak, former resident of Algonquin, and now a member of the faculty of the University of Wisconsin, was guest conductor. He has served in that capacity for several years.

Dvorak praised the work of both students and teachers highly, but reminded the parents present that "music begins in the home." He introduced the instructors of the conference schools which included besides Antioch, Grant township of Fox Lake; Barrington, Bensenville, Ela township of Lake Zurich, Northbrook, Palatine and Wauconda.

The festival was held at the Wauconda High school gymnasium, which was the scene of bitter rivalry in basketball earlier in the year. Dvorak commented on the fact that musical co-operation supplanted competition and that instead of enmity and disappointment which usually follows athletic contest the meeting Monday night was conducive of good will and happiness.

Music will be furnished by the string band of the Antioch Township High school. The play will be produced in the school auditorium by the following cast:

COX'S CORNERS CHANGES HANDS

The Cox's corner grocery and tavern is under new ownership, James Hamm of Lake Marie having purchased the business from William Molter who has operated the business since December 1945. The new owner will enlarge the scope of the business in several ways, one of the changes being the installation of a barbecue pit. A special opening party, and farewell celebration for the Molters will take place on next Wednesday evening.

Auxiliary Plans Meeting

The Ladies Auxiliary of the American Legion will meet at the Legion home Friday evening for a social session.

Former Rosecrans Methodist Pastor Gains Fame; Church He Built to Be Made into Apartments

Two related incidents of unusual interest this week to Antioch township and vicinity are:

The conversion of the old Rosecrans Methodist church just west of Rte. 173 to two-room apartments by T. M. Palaske, Antioch contractor, and—

An article in the Saturday Evening Post, Apr. 26, number 1, in which Dr. Frederick John Cox, former pastor of that church, is given much publicity as the "Pulpit Psychiatrist" of Denver, Colo.

The Rev. Mr. Cox was pastor of the Rosecrans church at the time the gymnasium was built in 1923 and was instrumental in organizing the young people in athletics and music. He is remembered by the community for the way in which he built up the church.

Said the Post: "In 1919, at the age of twenty-eight, he went to Northwestern university to begin preparation for his life's work." (Preaching)

"A student pastor was sought to supply a cross-roads Methodist rural church called Rosecrans, in down-state Illinois. An appointee was required who could lead an orchestra. Cox took the job.

"To Rosecrans he ministered until he graduated from Garrett Biblical

Ordinance Prevents Parking in Alleys or in Private Driveways

Board Acts to Keep Avenues Open for Department In Case of Fires

An ordinance was passed Tuesday evening prohibiting parking in public alleys or driveway entrances in Antioch.

The village board acting to prevent obstruction to fire trucks and apparatus in case of fires has placed a fine of from \$5 to \$200 for violation of the village law.

Trucks and other vehicles may stop in the alleys for unloading and loading of contents if motors are kept running.

There are few public alleyways in Antioch so to control private driveways, the ordinance was made to apply to the entrances, the only areas the city can control.

The trustees were notified that because of the approach of the summer vacation season, the Duncan Meter Co. will install parking meters here in about 30 days.

Annual Report Given

Mrs. Martha Hunter, village treasurer, gave her report Tuesday evening showing that the village had paid out \$30,348.84 during the course of the year and that the cash on hand is \$8,300.10, just \$100.79 less than at the same time last year.

Plans are being made by the board to name the new street past the site of the proposed village hall, Broadway.

Much time was spent by new members of the board Tuesday evening discussing with the old board plans for the new village hall and fire department building. President Bartlett said the new members of the board are taking hold in a business-like and dignified manner and predict they will make good "City Dads."

Antioch People Get Invitation to Dinner of T.B. Association

Official winner of the district cup for its successful seal sale, the Lake County Tuberculosis association will hang up its annual record at a dinner meeting at the First Methodist church, Waukegan, next Monday night, May 12, rounding out its most extensive year of service.

Dr. Arthur S. Webb, Glen Ellyn, president of the Illinois Tuberculosis association, will be guest speaker. He will be introduced by John D. Luce, Zion, toastmaster for the occasion.

W. P. Shahan, Springfield, executive secretary of the state organization, will also address the banquet guests. Annual reports will be given by Miss Orpha L. White and B. Rause, executive secretary and treasurer, respectively, of the Lake County Tuberculosis association.

Final figures in the 1946 Christmas Seal sale will be announced and it is expected that the district cup will be formally presented to the local organization during the program. The Lake County association has again been announced official winner of the cup in merit for the most successful Seal sale in this area of the state.

Annual reports will include statistics on the active work of the association, such as; the tuberculin testing program, x-ray surveys, chest clinics and health education.

American Enterprise Abroad

The responsibilities that fall upon American industry doing business in foreign lands is well described in the 1946 annual report of the Standard Oil Company of New Jersey.

It points out that if we are to have and to maintain a peaceful world, we must eliminate the underlying causes of war—chief among which are poverty and want, prejudice, fear, and the suppression of the rights of man. It then observes that when we do business abroad we become "outposts of the American way to peace and prosperity for the nations of the world. Within the framework of national policy as determined by the government and supported by the American people, we can do much toward a better tomorrow by the example of our policies and actions."

These are not idle words. One of the finest examples of American industry's contribution to a better world is found in Saudi Arabia, where American capital and ingenuity are now developing the region's enormous oil resources. In the process, we are giving the people of the region new and more profitable agricultural techniques. We are making tremendous contributions to education and medicine for the masses. We are raising the standard of living generally.

Thus, the American tradition of freedom, fairness and justice is carried far beyond our borders. This is a long step toward achieving the solidarity of free and pacific peoples.

Meeting The Cost of Illness

The Research Council for Economic Security has made an inclusive factual survey of various plans for meeting the cost of illness. In a recent release it compares three of the most important types of these plans—state monopoly, as in Rhode Island; an optional state or private system, as in California; and private operation under state supervision, as in New Jersey.

It then makes this rather remarkable finding: "It would seem that a state plan, with the advantage of large numbers of members, could provide more benefits at lower costs to workers. However, comparison of the three plans shows that this is not true in every case. The State Monopoly system costs the worker more but pays him a smaller weekly benefit than the other plans do.... The privately operated plan will pay for several periods of illness a year, whereas the state plan will pay for only about 20 weeks of illness in a single year. The economy of a private plan may be due to its advantage of being free from political pressures which might create unnecessary costs."

It is certainly reasonable to assume that this situation would be aggravated by an enormous Federal system of sickness insurance, with the inevitable top-heavy bureaucracy which would accompany it. The progress made by voluntary plans is an extremely good sign. These plans seem to have operated with great success,

HICKORY

Mr. and Mrs. Ed Miltimore and children, Roberta and Roger, of Waukegan, visited their aunt, Mrs. Caroline Marbie, on Sunday evening. April 27.

Mrs. H. A. Tillotson visited Mrs. Elsworth Fox at Bristol Wednesday afternoon.

and at a very reasonable cost. Some form of government assistance to genuinely needy persons is necessary, and a bill to that end is now in Congress. But, for the great majority of the population, voluntary, non-political sickness insurance of one kind or another is the proper answer.

The National Guard
One of George Washington's most famous statements was this: "To be prepared for war is one of the most effectual ways of preserving peace."

That should be remembered in the present troubled world. And it has an especial significance now that an aggressive effort is being made to build up the National Guard to its authorized strength of 682,000 men.

The Guard is a volunteer, civilian-soldier organization, and it has a long and distinguished record of service. It provides a priceless nucleus of trained men upon which an effective fighting force can be built in time of war. Units of the Guard were among the first to see action in the last conflict, and they fought gallantly delaying actions while we worked against time to create a gigantic Army. And war is not the only emergency which the Guard is called upon to meet. In every great disaster, from the San Francisco fire of 1906 to the ghastly explosion at Texas City a short time ago, the Guard has done a superb job as a protector of life and property.

To young men, the Guard offers an opportunity to learn new skills, to improve old ones, and to acquire experience in organization and leadership. Each member draws a full day's Regular Army pay for two hours of spare-time training a week, and for each 15 days of field training a year. To the community, the guard is a proud local asset. It represents public service of the highest order.

"According to the Communists, the only solution to the labor problem is to toss the boss out, and let the workers run the plant.

"This . . . idea certainly makes no sense in the America of 1947. Modern, high-speed, mass-production economy cannot operate, much less maintain high living standards, without cooperation among all groups—workers, farmers, businessmen, government."—Stuart Chase.

The Low Down From Hickory Grove

You know, I kinda like to gas about "free enterprise." I like to gas, too, about other things that are reasons and causes for my faith in the future of this U. S. A. Also I like to boast and review Aesop—and thereby keep refreshed and alerted on how not to be a sucker. Of all the mortal things I choose not to be called—or be—it is a sucker.

Just since V-J day there has been added around 300,000 to Sambo's payroll. That is not less—that is 300,000 more, than before V-J day. It is no compliment to us citizens—these added 300 thousand "looker-oners." We must be slipping. At this clip, "free enterprise" is being elbowed out fast.

Over in Virginia this Honorable Soreback there, Mr. Byrd, is delving into the dark corners and is unearthing plenty of termites at work, on our foundation. The Senator needs help. The U. S. A. is still big and strong—but so was the old Roman Empire, until it grew careless.

Yours with the low down,
JO SERRA

Passenger Deaths

There are only 17 deaths per 100 million miles of street car, trackless trolley coach and bus travel.

Species of Oak

There are some 20 species of oak in the United States which are widely used as lumber. Most of it is processed into flooring. About half is classified as red oak and half as white oak.

Every Line is a look at Tomorrow

White sidewall tire, as illustrated, will be supplied at extra cost as soon as available.

You spot it on the highway every time a Buick comes along:

Here you meet the future face-to-face.

Here you see the clean, rich, uncluttered design that marks the swing away from what was to what is going to be.

Here's the sweep and flow of fender line that's called for by a streamlined age — here's the solid, steady look that spells roadability — the broad beam that means room — the massive bonnet that tells of Fireball power aplenty.

Here's grace, here's ability, here's sturdy dependability — all wrapped up in one handsome package that's not merely up-to-the-times but ahead of it.

Here are the good looks that bespeak good works; you hardly have to be told of precision carried to ten-thousandths of an inch, of materials searched out from the finest to be found.

Any wonder that such a creation is America's most wanted automobile? Any wonder people pass up cars that may be easier to get to wait for a car that's going to stay fresh and new and modern-looking?

The simple fact is that you're buying in the future when you buy any good car today.

Why not settle on the one that most obviously foretells what the future will be — that has the most in it of what is to come?

Buick dealers' showrooms are kept pretty bare of display models by the eagerness of Buick buyers to "take over" the first minute they can.

But you'll be greeted in every one of them with courtesy and sincere interest in getting your Buick at the first minute possible.

Drop in — talk it over — and insure yourself a happy future by placing your order now. We'll take it, with or without a car to trade.

SOCIETY EVENTS

Woman's Club Elects Officers at Annual Meeting, Luncheon

Forty persons were present at the annual meeting and luncheon of the Antioch Woman's club Monday afternoon at the home of Mrs. Maurice Radke, Victoria.

Cards were played following the 1:30 dessert luncheon served by a committee headed by Mrs. L. V. Madden.

The new officers chosen are: Mrs. W. C. Petty, president; Mrs. Maurice Radke, vice president; Mrs. T. R. Birkhead, recording secretary; Mrs. Elsie Petersen, corresponding secretary; and Mrs. Harry Krueger, treasurer.

Standing committees are headed by the following chairmen:

Mrs. C. E. Hennings, program; Mrs. Herman Rosing, citizenship; Mrs. Dudley Kennedy, membership; Mrs. L. C. Scott, social; Mrs. Eugene Sheehan, literature; Mrs. Clarence Olson, music; Mrs. Arthur Trierer, art; Mrs. Edmund Vos, public welfare; Mrs. A. H. Kaufmann, publicity; Mrs. C. E. Gaffey, education; and Mrs. L. V. Madden, rehabilitation.

Lake Villa Community Men's Club Will Fete Ladies at Dinner, Show

The annual Ladies Night at the Lake Villa Community Men's club will be held Tuesday, May 13 at 7 p. m. at the Lake Villa school gymnasium.

A turkey dinner with all the trimmings is promised by the men. They are relying on the ladies of the Methodist W. S. C. S. for serving.

An eight-act floor show will be the entertainment in addition to music furnished by Mrs. Grace Timmersman during the dinner hour. Dancing will follow the dinner.

Members are privileged to bring guests.

MISS McDougall Chosen Pres. of 4-H Club

Miss Betty Jean McDougall was chosen president of the Antioch Aces at a meeting held at the home of their new leader, Mrs. Lester Osmond, Tuesday. Other officers elected were Adella Rentner, vice president; Mary Curnes, secretary and treasurer; Betsy Message, publicity chairman; Joanne Osmond, recreation.

The girls have chosen sewing for their project for the summer.

Misses Adella Rentner, Charlene Nelson, Betty Jean McDougall, Doris Petersen and Sue Birkhead were appointed by the president to have charge of all programs.

Any girl in this community who has reached her tenth birthday is eligible to join the 4-H club. Enrollment for the summer season closes June 10th.

Betsy Message, Pub. chairman

AUXILIARY TO SPONSOR CARD PARTY MAY 20

The Ladies Auxiliary of the V. F. W. will hold the second in a series of card parties at the Guild hall Tuesday, May 20, at 8 p. m. All games will be played and prizes and refreshments will be provided for.

FIFTH DISTRICT PRESIDENT VISITS ANTIQUA V. F. W.

Mrs. Hoagland, 5th district president of the Ladies' auxiliary of V. F. W., was a visitor at a meeting of the organization held Monday evening at Guild hall. Mrs. Hoagland made an interesting and instructive talk and a social hour followed the meeting.

Library Board Elects Officers

At the regular April meeting of the Antioch Township Library Board, the following officers were re-elected for another term: Mrs. Edmund Vos, president; Mrs. W. C. Petty, secretary; R. D. Williams, treasurer.

Several members of the board plan to attend the State Regional Library meeting at Riverside, Illinois, on May 15, 1947.

The librarian, Mrs. Rigby, reported that she gave a talk to the senior girls at Wilmot High school on "The Library as an Occupation."

Parents of Son

Mr. and Mrs. Robert Mortensen are the parents of a son "Timothy Terry," born April 30 at St. Therese hospital. Mrs. Mortensen before her marriage was Miss Violet Loftis, granddaughter of Mrs. Arthur Edgar, of Antioch.

Mr. and Mrs. H. G. Nes returned to their home Saturday after spending the past five months in Sarasota, Fla.

Mrs. Gordon Smoak attended the funeral services for her mother, Mrs. George Wirs, Wednesday, April 30, in McHenry. Burial was in St. Mary's cemetery, McHenry. Mrs. Wirs had been ill for the past several months.

The regular meeting of the Methodist Wesley Circles was held Wednesday, May 7th, at 2 o'clock in the church dining rooms.

B. and P. W. Club Ends Season With Potluck Dinner and Style Show

The Business and Professional Women's club partook of a potluck dinner Monday evening at MariAnne's Lake st. store and witnessed a style show afterward.

Six adult models and two children cottonts, prints, summer suits, lingerie, lounging robes, hats, gloves, purses and other accessories suitable for the summer season.

There will be no more meetings of the club until October when the new president, Mrs. Harold Gaston, will assume her office.

May 17 To Be "Buddy Poppy Day" For V. F. W.

Saturday, May 17, will be "Buddy Poppy Day" for the local post V. F. W. The poppies, which are manufactured by injured servicemen, will be on sale in the streets of Antioch and Lake Villa, and all proceeds of this nation-wide sale are used for welfare and relief work of the V. F. W.

More than twenty-million poppies will be distributed throughout the United States during the week preceding Memorial Day, according to commander Robert Strang of the local post, and every penny of money raised in this way will be used for disabled veterans.

The Librarian, Mrs. Rigby, reported

that she gave a talk to the senior girls at Wilmot High school on "The Library as an Occupation."

Card Of Thanks

I wish to thank all my friends for the many cards, flowers and candy sent me while I was in the hospital.

Boy Bitten to Death.**By Six Doberman Dogs**

VIRGINIA, MINN. — Glen Brace, 5, was bitten to death here by six doberman pinscher dogs that got free from their pen as the boy was looking at them. Dr. J. Arnold Malmstrom, deputy coroner, said Glen, the son of Mr. and Mrs. Howard Brace of Virginia, died of multiple bites.

Ohio Mystic Beats His Mother to Death**Says 'Her Number Came Up' So That Settled It.**

COLUMBUS, OHIO. — Ernest Wright, a 42-year-old mystic with a beard and a penchant for preaching sermons to chickens, beat his 75-year-old mother to death with his fists and a piece of iron because "her number came up last night," he told police.

"My life is based on a series of numbers and mother's number—709—came up last night," he said.

The number 709 was written on the side of a stove from which Wright ripped the piece of iron with which he battered his mother, Mrs. Lavinia Wright. She was found dead in bed from a skull fracture, a brain hemorrhage and broken neck after Wright telephoned for police. He described himself as a minister in the "Church of Christ Campbellites," and said he usually went nude about the house. His neighbors said he sometimes preached sermons to his flock of chickens. At other times, they said, he preached from the top of the small house where he lived with his aged mother.

Wright told police his mother was "a witch—the most powerful witch in America."

"She had to be eliminated," he added simply.

"When the time came to perform the operation, I acted on schedule."

Gets Life Term as Kidnaper; Wins Freedom After 14 Years

JEFFERSON CITY, MO. — Marshall Depew, 52, was free 14 years after he entered Missouri penitentiary to serve a life sentence for the sensational 1931 kidnaping of Mrs. Neil Donnelly, Kansas City dress manufacturer and later the wife of U. S. Sen. James A. Reed.

Announcing his release, the parole board said Depew had been one of the best workers the prison ever had.

Depew was one of three men convicted of kidnaping Mrs. Donnelly and holding her for \$75,000 ransom. She and her chauffeur were released unharmed. Depew later was arrested in South Africa and returned for trial. His accomplices, Charles Mele and Walter Werner, are still in prison.

Woman, Aged 72, Grabs Arms Box Back From 6-Foot Thief

CHICAGO. — Mrs. Mary Porch, owner of a small south side restaurant, called police and reported that a customer had attempted to steal a charity fund box.

After paying for a cup of coffee, the man, about 35 and six feet tall, grabbed the box which contained contributions from patrons. Mrs. Porch told police.

"You can't do that," Mrs. Porch said she told the thief, and she grabbed his arm and took the box away from him.

As he fled, Mrs. Porch, who is 72, went to the kitchen to report the incident to her son, Louis, 54.

An Epidemic of Influenza Has Attacked London Horses

LONDON. — London horses have the flu.

More than 1,000 have fallen ill. They sneeze and shiver under extra blankets while grooms take temperatures and prepare special rations of hot steamed hay and bran. Freight deliveries were threatened, since London relies heavily on the 7,000 to 10,000 horses estimated as its present equine population. The London Midland & Scottish railway reported more than 100 of its 312 horses sick.

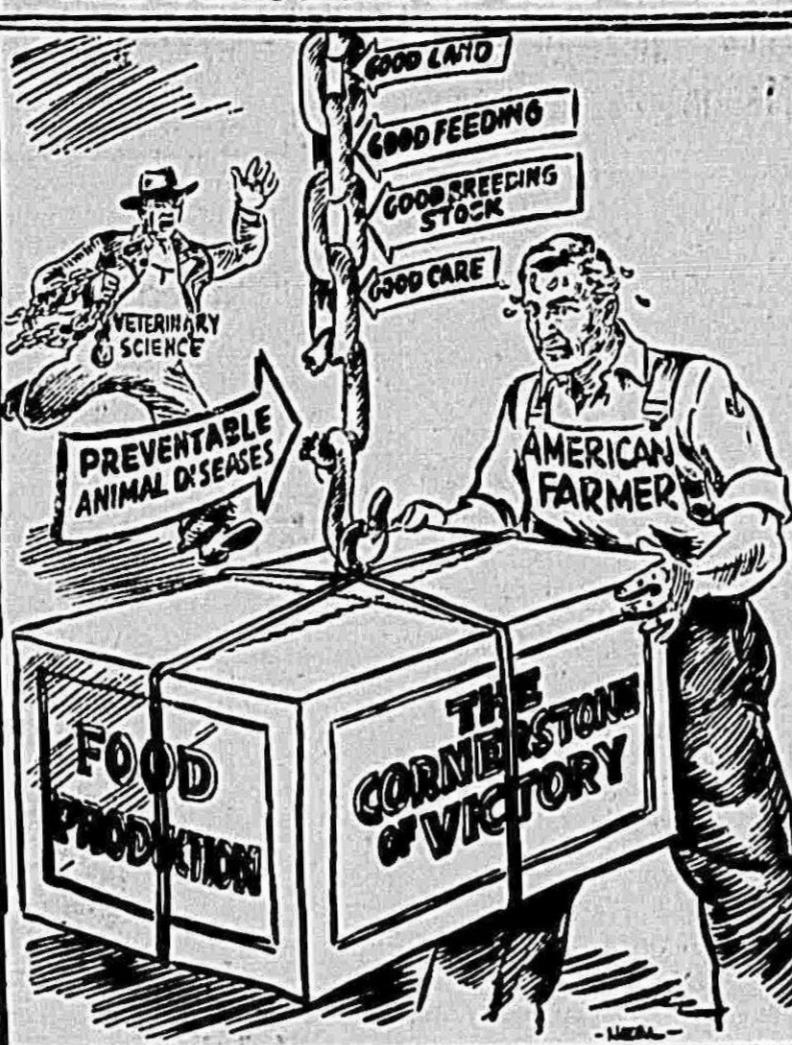

Moscow Radio Reports Soviet Scientists Evolve New Grain

LONDON. — The Moscow radio announced that Soviet scientists had crossed rye with wheat, producing a hardy and highly productive winter wheat.

Experimental plantings of the new grain in regions where other varieties of Russian wheat suffered heavily from the cold yielded 22.3 bushels per acre, the announcement said.

Dog Limps Home; Discover All His Claws Are Pulled Out

OKLAHOMA CITY, OKLA. — Five-year-old Bill Hood, son of Mr. and Mrs. Wayne Hood, has his own nomination for the meanest person in the world. The boy's dog, Pug, was let out of the house in the morning and returned whimpering a short time later. He limped into the house, his feet bleeding. Mrs. Hood found someone had pulled out all his claws.

THE WEAK LINK IN THE CHAIN**Uncle Sam Says**

Reduce Dishwashing
To cut down on dishwashing when baking, sift flour and sugar onto sheets of waxed or brown paper instead of into bowls.

Cleans Piano Keys
To clean ivory piano keys, rub them lightly with a paste of finely powdered whiting and lemon juice, then wipe them with a damp cloth.

Draws Water
Between 700 and 1,000 gallons of water are drawn from the soil every 24 hours by one average birch tree.

Second Language
Proverbs are almost a "second language" to the Chinese, and are used by rich and poor alike.

Farmers Get Lion's Share
Farmers received 53 cents of each dollar that consumers spent for food during the summer months of 1946.

Milk Cows
More than 20,000,000 cows on three-fourths of the nation's 5,877,000 farms produce milk.

WILMOT

Mr. and Mrs. Henry Harms, Lake Geneva, called Saturday on Mrs. Bertha Harms, who is ill at her home and under the care of a physician.

Dr. and Mrs. Clarence Gifford, Chicago, were weekend guests of Mr. and Mrs. George Higgins.

Mr. and Mrs. Herbert Sarbacher were dinner guests Sunday of Mr. and Mrs. R. J. Jenkinson and daughter, Barbara, at Oak Park.

Mr. and Mrs. Elmer Rasch entertained the following Saturday evening in honor of the fourth birthday anniversary of their son, Glenn; Mr. and Mrs. Walter Rasch and children, Slades Corners; Mr. and Mrs. Ervin Rasch and children. Sunday callers at the Rasch home were Mr. and Mrs. R. G. Richardson and daughters, Jean and Ruth; Mrs. Charles Kruse, of Richmond; Mr. and Mrs. Reynold Wutke and children from Pell Lake.

Ardys Hegeman, Burlington, and Lt. Keith Hegeman, of Rantoul, were weekend guests of their parents, Mr. and Mrs. Leland Hegeman.

Mrs. Herman Frank is to be hostess this Friday afternoon to members of the Jolly Eight club.

May 4 the following assisted Mr. and Mrs. Ernest Otto in celebrating their 22nd wedding anniversary: Mr. and Mrs. Nick Fishback, Mrs. Margaret Weber, Miss Marion Weber, Chicago; Mr. and Mrs. Joe Albright, Donald Albright, Park Ridge, Ill.; Mr. and Mrs. Emil Jenrich, Antioch; Mr. and Mrs. Peter Van Schelchteren, Bristol; Mr. and Mrs. Herman Frank and Beverly and Richard; Mrs. Flavia Elbert and Herman Elbert, Wilmot. A buffet luncheon was served and the guests were entertained at cards.

Mr. and Mrs. Harry McDougall spent Sunday in Wheatland with Mr. and Mrs. Gilbert Runkel.

Mr. and Mrs. Lyle McDougall were in Chicago for the day Sunday.

Mr. and Mrs. Russell Elwood and family were in Delavan for the day Sunday.

Mrs. R. C. Shotliff and Harley Shotliff were in Chicago Monday to bring Mrs. Harley Shotliff and son, Larry Allan, from the Garfield Park hospital to the Shotliff home in Wilmot.

Mr. and Mrs. Stanford Heide and James Heide, Kenosha, were guests Sunday of Mr. and Mrs. R. C. Shotliff.

Mr. and Mrs. George Feldkamp and son spent Sunday in Kenosha with Mr. and Mrs. Lester Feldkamp.

Mr. and Mrs. Wm. Wertz entertained at a dinner Saturday evening in honor of their daughter, Mrs. Lyle Techert's birthday anniversary. Guests were Mr. and Mrs. Lyle Techert and daughter, Joyce Wertz, Mr. and Mrs. Ray Wertz and son, Mr. and Mrs. Joseph Rausch and daughters, Wilmot; and Mr. and Mrs. Melvin Wertz and children from Chicago.

Sunday guests of Mr. and Mrs. Fred Albrecht were Mr. and Mrs. Homer Clark, Richmond; Mr. and Mrs. John Hasselman, Mrs. Millie Darby, Mr. and Mrs. Don Krueger and Robert, Mr. and Mrs. Howard Stamm and Mrs. Louis Hartman from Kenosha.

Mr. and Mrs. G. W. Lewis spent the weekend with relatives at Milwaukee.

Mr. and Mrs. Robert Sarbacher were in Kenosha Sunday, guests at a dinner honoring the First Holy Communion of Patricia Kammer, daughter of Mr. and Mrs. Elmer Kammer.

Mrs. Herbert Sarbacher spent Tuesday in Milwaukee.

Mrs. Frank Burroughs was hostess to her two table 500 club on Wednesday afternoon.

Mr. and Mrs. Frank Kruckman spent Sunday as guests of Mrs. Alice Cole at Crystal Lake.

Mr. and Mrs. Harold Bennett, Sturtevant, spent Friday evening with Mr. and Mrs. W. R. Schenning. Sunday they entertained for Mr. and Mrs. Vernon Schenning, Mr. and Mrs. Bernhard Hockney and son, of Kenosha; Mr. and Mrs. Willis Freeman from Milwaukee.

The M. E. Ladies Aid is sponsoring a cafeteria supper of ham and beef at the church hall on Thursday afternoon, May 15. The public is invited to attend.

Services at Peace Lutheran church Sunday are worship at 10:00 a. m. and Sunday school at 9:10 a. m. Thursday evening, May 15, at 7:45 there will be Ascension Day services at the church.

Union Free High school students of the Music Department under Besse Barnes, in the chorus and band will compete at the Music Festival to be held at Whitewater on May 10.

McMurry defeated the Wilmot High school base ball team 14-9 and Wilmot defeated the Waterford team 10-0. Games for this week not scheduled.

"Arsenic and Old Lace", the three act comedy by Joseph Kesserling, was presented by members of the Senior class under the direction of Miss Mary Newell, at the school gymnasium on Thursday and Friday evening. All students taking part deserved credit for their excellent rendition of the character parts they assumed and Miss Newell for directing them in their parts so well. Special mention can be made of the very good interpretation of his part done by John Schnurr as Teddy Brewster, Jack Pfeiffer as Mortimer Brewster, Eugene Blasi as Dr. Einstein and Phillip Brown as Jonathan Brewster. Mary Seitz and Lucille Rohr taking the parts of Martha and Abby Brew-

HEALTH HINTS
for LIVESTOCKPREPARED BY
AMERICAN FOUNDATION FOR ANIMAL HEALTHTUBERCULOSIS IS
NEVER WHIPPED

Although veterinary science has gained the upper hand in its 25-year fight against tuberculosis of farm

than one case of infection in each 200 cattle. Yet, the disease is not completely eradicated, and periodic testing of herds must be continued for many years more.

Last year, over 160 head of fine prebred cattle on a single midwest farm were found to be reactors when the veterinarian gave them the tuberculin test. When slaughtered, quite a number of these animals were found to have generalized tuberculosis — this in a locality that has been considered "tuberculosis-free" for years.

Swine tuberculosis affects from three to five million hogs each year, according to packing house records. Swine most frequently contract the disease from poultry, and records show that more than 20 per cent of all poultry flocks in many sections of the country are actively infected with tuberculosis.

For the protection of human as well as animal health, every person should do all within his power to help win the final battle against the "great white plague," whether it exists in humans, in barnyard animals or in poultry. Constant vigilance on the part of every farmer will help.

Keep poultry out of hog range to prevent tuberculosis infection.

Animals, livestock raisers should remember that this disease is never really whipped.

For instance, cattle tuberculosis has been reduced to the point where no county in the nation has more

than one case of infection in each 200 cattle. Yet, the disease is not completely eradicated, and periodic testing of herds must be continued for many years more.

Last year, over 160 head of fine prebred cattle on a single midwest farm were found to be reactors when the veterinarian gave them the tuberculin test. When slaughtered, quite a number of these animals were found to have generalized tuberculosis — this in a locality that has been considered "tuberculosis-free" for years.

Swine tuberculosis affects from three to five million hogs each year, according to packing house records. Swine most frequently contract the disease from poultry, and records show that more than 20 per cent of all poultry flocks in many sections of the country are actively infected with tuberculosis.

For the protection of human as well as animal health, every person should do all within his power to help win the final battle against the "great white plague," whether it exists in humans, in barnyard animals or in poultry. Constant vigilance on the part of every farmer will help.

Keep poultry out of hog range to prevent tuberculosis infection.

Animals, livestock raisers should remember that this disease is never really whipped.

For instance, cattle tuberculosis has been reduced to the point where no county in the nation has more

than one case of infection in each 200 cattle. Yet, the disease is not completely eradicated, and periodic testing of herds must be continued for many years more.

MILLBURN

The topic for the Mother's Day services to be held at Millburn church at 11 o'clock Sunday, May 11, will be "The Ideal Mother."

The bakery sale sponsored by the P. T. A. and held in E. A. Martin's store Saturday was well patronized and \$30 was added to the treasury.

The Millburn Lodge of A. F. and A. M. will hold a card party in the hall Saturday evening, May 10, 500 pinocle, bridge and bunco will be played. Proceeds will go to the building fund.

Dr. and Mrs. George L. White, of Alhambra, Calif., were guests at the Minto home from Wednesday until

Friday. They also visited at the J. S. Denman home and at the George White home at Hebron.

Mrs. Al Anderson, Mrs. David Druce, Mrs. Corenna Druce, of Grayslake; Mr. J. Griffith, Mr. B. Hoffman and Virginia Hoffman, of Lake Forest, were dinner guests at the Ed Hoffman home Sunday.

Barbara Kane, of Diamond Lake, spent several days with her grandparents, Mr. and Mrs. J. S. Denman. Michael Tillich, of Chicago, spent the past week with his grandparents, Mr. and Mrs. Peter Tillich.

The officers and chairmen of various committees of Millburn unit of Home Bureau met at the home of

the president, Mrs. Robert Durr Friday. Dessert luncheon was served at one thirty followed by a discussion of plans for activities for the year. Those attending were Mrs. Frank Edwards, Vivien Bonner, Mrs. Wetzel, Mrs. Wilbur Mack, Mrs. Kenneth Mc Cord, Mrs. J. A. Cunningham, Mrs. H. Messner and Mrs. Gordon Bonner.

What are "PROPER-SIZED" LIGHT BULBS?

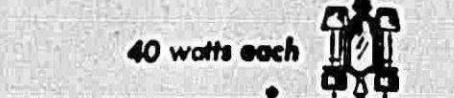

The right bulb may mean the difference between good vision and eyestrain or between charm and mediocrity in home interiors. Cut out this chart and refer to it when selecting light bulbs for empty sockets in your home . . . or consult one of our lighting specialists.

Recommended Bulb Sizes**LIVING ROOM**

40 or 60 watts each

NOTE Some of the fixtures sketched above are not the recommended modern types, but are types found in many homes. Good lighting practice requires all light bulbs to be shaded so that no part of the bare bulb is in the line of vision. Proper sized light bulbs are available at your Public Service Company store or Light Bulb agency.

PUBLIC SERVICE COMPANY OF NORTHERN ILLINOIS

LAKE VILLA

The Woman's Society of Christian Service will sponsor the annual Mother-Daughter banquet at the school gymnasium sometime during May, definite date to be announced next week.

Lake Villa Consolidated school will close on May 29, and exercises for the eighth grade graduating class will be held at the school gym on the evening of May 28; this includes Lake Villa, Monaville, Sand Lake and Cedar Lake districts. R. L. Newnam, Ass't. Supt. of School will be speaker of the evening. The children will have the annual picnic at Sherwood Park at the close of school, weather permitting.

The play "Wild Cat Willie in the Dog-house," sponsored by the grade school and presented at the school gym last Saturday evening was a big success and was played to a full house. The children all took their parts unusually well.

The Royal Neighbor Officers Club will sponsor a public card party on Wednesday afternoon, May 14, at the Charles Hamlin home. Dessert luncheon at 1 p.m., followed by games of cards and bunco. Everyone welcome.

Next Sunday is Mother's Day, also Quarterly Conference. Everyone is invited to attend the conference, which will meet directly after the worship service. Dr. Bradburn has announced his sermon topic to be "A Mother's Influence." The Sunday school is providing remembrances for each mother present. The public

is invited.

The girls of the Cedar Lake 4-H club held the first meeting of the year on Tuesday, April 29, with their leader, Mrs. Leonard Mattson and elected officers as follows: President, Jean Hawkins; vice-president, Lois Loescher; sec-treas., Ann Mattson; salvage chairman, Arlene Hansen; recreation chairman, Jill Mahoney; club reporter, Jeanne Burt. Their project for the year is Room Improvement. There are seven members in the group.

In a simple service at the Community church last Saturday morning, Robert Cordon Madsen, of Lake Villa and Miss Ruth Berglot Larson, of Waukegan, were united in marriage by Rev. Dwight Dixon of the Community church. They were attended by Mr. and Mrs. George Schmidt, at whose wedding they were attendants last summer. Mr. Madsen is employed in the well drilling business with his father, Charles Madsen. They

plan to live in Waukegan, Lorraine Bock, honor student of the graduating class at Lake Villa school has been given the annual award of the Reader's Digest Association for students who by their successful work, give promise of attaining leadership in the community, this was announced by David Schrum, principal, late last week. Lorraine will receive an honorary subscription to the Reader's Digest for a year and an

engraved certificate from the editors in "recognition of past accomplishments and in anticipation of things to come."

Since 1937 the Reader's Digest has presented these awards yearly throughout the United States and Canada to the highest honor student of the graduating class. The awards are part of the Educational program sponsored by the Association

and were a logical outgrowth of the wide use of the Reader's Digest in school work with the collaboration of leading educators supplements to the magazine, containing guides for reading improvement and aids to effective speech and composition are made available to schools and colleges. The award to Lorraine, who is the daughter of Mrs. Genevieve Bock of Lake Villa, was made with the idea of stimulating scholarship, citizenship and continued contact with good reading after graduation.

Uncle Sam Says

About this time of year, we hunger for a sight of green sprouts and the first signs of a plentiful fall crop. I am visiting my nephew, Farmer John, in Iowa. John's seeds produce the golden corn we all love. John is also planting financial seeds. These seeds are United States Savings Bonds. Savings Bonds grow to golden hue. Every city worker also can plant and nurture these seeds.

U. S. Treasury Department

Cage Crickets
 Crickets are caged for their song in some regions. Cricket fighting is a favorite sport in China.

Dairy Income
 The farmers share of the milk dollar is more than one-half of every dollar spent for milk.

Strengthen Pockets
 Strengthen pockets at the corners with a few stitches to keep from tearing.

Heat Clothespins
 In winter, the housewife's hands will not get so cold if she heats the clothespins before hanging the clothes.

Nourish Corn
 To produce 100 bushels of corn, the soil must deliver 5,000,000 pounds of water, 150 pounds of nitrogen, 23 pounds of phosphorus, 72 pounds of potassium and 68 pounds of lime plus organic matter.

Give your home a fur-lining with better, more efficient Pal-O-Pak insulation and you'll save up to 30% of your fuel bill. Phone for an estimate today—we are featuring early birds month with special low price of 10¢ sq. ft. 4 inches deep on uncoated units.

LEGAL NOTICE
All bids for construction of the
Grass Lake school building were
temporarily rejected at a meeting of
the school board held Tuesday eve-
ning, May 6, 1947.

Contractors who furnished bids
will be notified of any further action
of the board.

Grass Lake School Board
District 36
Signed
Walter Forbriech, Clerk

Washing Woodwork
To prevent streaking when wash-
ing woodwork, be sure to change the
suds and rinse water often.
